 No funds used. **Balance carried forward to November. 358 Ron**

Where schools are open we continue to educate with Timmy products and have new online Timmy learning started now as well for children unable to be at school. Solar lighting is a must as a safety measure for those without mains electricity. At St RCHF we help the poor with food aid, here a lady covers her mouth as she tries to earn small funds by selling some garden mint she has from her garden that is above what she needs.
